

Directions to the Max Planck Institute for Metabolism Research

from airport Cologne - Bonn →

⇒ take the S13 to station Deutz

from station Deutz

- ⇒ take the tram line 9 (direction Sülz) to station Lindenburg
- ⇒ go in driving direction to crossover, then turn to your right into the Joseph-Stelzmann-Straße
- ⇒ when you reach the „Augenklinik“ (building 34 in the document „Lageplan“) please turn to your left and keep straight on to the institute's building (nr. 19, marked in red in the „Lageplan“)

from central station

- ⇒ take the tram line 16 or 18 (direction Neumarkt) to station Neumarkt
- ⇒ change to bus line 146 (direction Deckstein)
- ⇒ step off at station Leiblplatz
- ⇒ Go in driving direction for about 100 m. Left hand you will find the restricted gateway to the area of the university hospitals (see also document „Lageplan“)
- ⇒ right behind the hospital the main building of the Max Planck Institute for Metabolic Research is located (marked in red in the „Lageplan“). The main entry is on the opposite side of the building.

by car coming from A4 🚗

- ⇒ please take slip road Köln-Klettenberg
- ⇒ take the Luxemburger Str. in direction Köln-Zentrum, at the first traffic light turn to your left into the Militärring
- ⇒ after approx. 1.5 km turn to your right into the Gleueler Str.
- ⇒ after further 1.5 km you can see the area of the university hospitals on the right side (barrier)
There are only a few, chargeable parking places on the Gleueler Str. and the area of the university hospitals.

by car with route guidance system
